About Us

At Kore Decor, we believe that surfaces are not just elements of design—they are expressions of lifestyle, taste, and identity. With a strong foundation in innovation and craftsmanship, we specialize in creating premium laminates that redefine modern interiors. Our journey is driven by a passion for transforming spaces into timeless experiences through textures, finishes, and designs that speak elegance.

We combine advanced technology with creative vision to deliver products that meet global standards while catering to evolving design trends. Every laminate we produce reflects our commitment to quality, durability, and aesthetic excellence. From contemporary minimalism to rich, luxurious finishes, our wide range ensures that every space finds its perfect match.

At Kore Decor, we don't just create laminates—we craft surfaces that inspire spaces and elevate everyday living. With trust, quality, and design at our core, we aim to be a preferred choice for architects, designers, and homeowners across the industry.

THE GRACE
OF WOOD IN
EVERY GRAIN

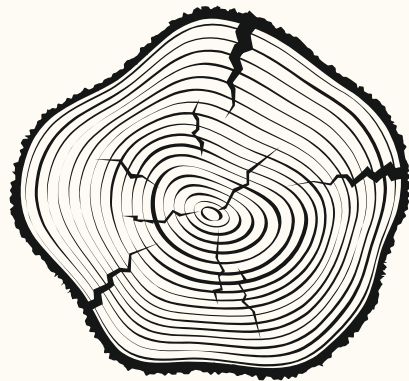

HYBRID
LAMINATE

THE BEAUTY
OF **WOOD**,
EVERYWHERE

HYBRID
L A M I N A T E

Our Hybrid Laminates are crafted to offer the perfect balance of durability, style, and versatility for modern interiors. Designed with a standard thickness of 1 mm, they ensure long-lasting performance while maintaining a sleek and refined look. Available in 8x4 feet and 10x4 feet sizes, these laminates provide flexibility for a wide range of applications, from residential to commercial spaces. Manufactured using advanced technology, they offer excellent resistance to scratches, moisture, and daily wear, making them a reliable surface solution. With a variety of textures and contemporary finishes, our hybrid laminates combine functionality with elegant design to enhance every space effortlessly.

WHERE DESIGN
BECOMES TIMELESS.

Anti Finger

Soft Touch

Anti Scratch

Spotless Matt

Stain Free

UV Resistant

Thermal Healing

Bendable

Our laminates are thoughtfully engineered with advanced features to enhance both performance and aesthetics. Designed with anti-fingerprint and stain-free properties, they maintain a clean and flawless surface with minimal effort. The soft touch finish adds a premium feel, while the anti-scratch layer ensures long-lasting durability. With a spotless matt appearance and UV resistance, the surfaces retain their elegance over time. Additionally, thermal healing technology helps reduce minor scratches, and flexible bendable properties allow for versatile applications. Built for modern living, these laminates combine innovation with everyday practicality.

INTRODUCING ARCHITECTURE *Grade*

Architecture Grade Laminates are crafted to meet the highest standards of performance, durability, and design for modern architectural applications. Engineered with precision, these laminates offer superior strength, impact resistance, and long-lasting surface stability, making them ideal for both high-traffic commercial spaces and premium residential projects. Their advanced composition ensures resistance to scratches, moisture, and daily wear, maintaining a flawless appearance over time.

With a wide range of sophisticated textures, finishes, and contemporary designs, they provide architects and designers the flexibility to bring creative visions to life. Consistent in quality and refined in appearance, Architecture Grade Laminates deliver a perfect balance of functionality and aesthetics, making them a reliable choice for creating elegant, durable, and future-ready spaces.

TECHNICAL SPECIFICATIONS

Parameter	Details
Material Type	PET (Polyester)
Standard Sizes	8 × 4 feet 10 × 4 feet
Thickness Range	1 mm (±10%)
Lamination Type	PET Heat Lamination
Lamination Temperature	120°C – 160°C
Moisture Resistance	Good moisture resistance
Chemical Resistance	Resistant to oils, alcohols & weak acids
Alkali Resistance	Moderate resistance to strong alkalis
Adhesive / Coating	Heat-activated adhesive / Pre-coated films
Bond Properties	Strong bonding, high clarity & durability
Quality Parameters	No bubbles, uniform thickness, smooth finish, heat color stability

Anti Scratch

Anti Finger

Anti Yellow
Uv Resistant

Water Repellent

180 Degree Bendable

Limited Warranty

Kore Decor ensures that its products are fairly free from any manufacturing defects. Manufacturing specification of a product may observe insignificant anomaly due to rigorous usage over time. Otherwise, our product warranty extends to maximum one year from the date of purchase from Kore Decor, exclusive to one buyer only.

It is advisable to inspect products bought from us prior to their installation. Because, we do not cover for accidents, lack of care, abusive/improper usage of our products afterward. Poor workmanship or any kind of alteration done to Kore Decor products after their purchase will only be considered as going against the manufacturer's maintenance and installation guidelines.

Because of various applications, our liability extends till the selling of our products.

Care & Maintenance

Place felt floor protectors under the legs of moveable furniture. Use dust mop as primary cleaning method. No wet mopping. Occasionally damp mop with water can be used.

Do not pour liquid directly on surface or use a wet mop that will puddle or leave moisture standing. Do not use detergents, abrasive cleaners, soaps, waxes or polishes.

Use correct hard surface vacuum tools. Do not use rotating beater bars, scrubbers, steamers, jet mops, buffers or similar products. Do not allow liquids to stand on the surface. Wipe up spills immediately.
